GRAVES RED

2022

Dazzling

The year 2022 was marked by a mild and dry winter leading to an early budding. The spring is mild and wet with no pest pressure.

Flowering took place quickly in very favorable, dry and warm conditions. The harvest prospects are very good on our Graves soils.

The vines resisted the heat and drought well and remained green and vigorous until the harvest. Two storms in August allowed the grapes to finish ripening.

The first white grape harvest took place on 19 August. The juices were rich, well-balanced and had good acidity, and the volumes were moderate.

The first Merlot were harvested at the beginning of September, followed by the Cabernet. The red grapes were harvested serenely as they matured throughout the month.

The wines are magnificent, colorful, fruity and concentrated. Color, smoothness, creaminess, and freshness are the key features of this vintage.

2022 is a brilliant vintage with great ageing potential.

Tiefdunkles Rubingranat, opaker Kern, zarte Ockerrandaufhellung. Zart rotbeerig unterlegte Fruchtnuancen, dezente blättrige Würze, Tabak, etwas Veloursleder. Mittlere Komplexität, reife Pflaumen, präsenste Tannine, etwas Bitterschokolade, etwas rustikaler Gesamteindruck.

INSIDE BORDEAUX

Xavier and Caroline Perromat are the owners of this lovely estate based in Cérons. Edges of smoked cloves, touches of reduction right now, clears with a short time in the glass, the blackberry and raspberry fruit a little subdued, but it is carefully extracted and balanced, and has some lovely appellation signature. 40% new oak.

Yves Beck

Invitantes nuances de fruits noirs accompagnées d'épices douces dans le bouquet de Cérons.

L'attaque reflète bien les caractéristiques olfactives. Elle annonce un vin fin, élégant, soutenu par des tannins compacts, serrés qui offrent une belle structure à l'ensemble du palais.

Un vin sapide et élégant ! 2027-2037.

Le nez est aromatique et exprime les notes de griotte, de cerise, de cassis et de groseille, associées à des épices douces (réglice, une très fine touche de cannelle) et d'herbes séchées. La bouche offre de la tension (les tannins sont secs et fermes) ainsi que des notes de fruits juteux (cerise rouge, fraise, griotte, cassis). La finale est moyennement longue, mais fraîche.
